Dr. Wiredu is a board certified Fellow of the American Academy of Pediatrics (FAAP) Pediatrician with the Guelph General Health System now joining the SLRPSI team. He is a graduate of Brookdale University Hospital and Medical Center (BUHMC) Pediatric program in Brooklyn New York at Brookdale hospital.

He is a graduate with a Master of Science in Medicine from Saba University School of Medicine and recently completed a 1-year fellowship in Adolescent Mental Health and Eating Disorders from the University of Toronto. Dr. Wiredu is very passionate about pediatric medicine, particularly adolescent mental health and is committed to seeing positive and optimal outcomes for his patients.

He's also very passionate about serving underserved communities. Prior to studying medicine, Dr. Wiredu was a registered nurse for a period of 10 years, and a bulk of that time was spent in the North doing rural and remote nursing which inspired him to pursue a career in medicine.

His hobbies include, music, sports, poetry, working out, and a great conversation. He's excited to work with our team and we're looking forward to having him as a valued member of our esteemed team.
